## **MEMORANDUM**

**TO: ALL TITLE II, TITLE V, JABG AND EUDL SUBGRANTEES**

**FROM: VICKY SCOTT, JUVENILE JUSTICE PROGRAM MANAGER**

**DATE: MAY 21, 2012**

**RE: CENTRAL CONTRACTOR REGISTRATION (CCR) WEBSITE CLOSURE**

Beginning May 23, 2012, the Central Contractor Registration (CCR) website, CCR.gov, will close permanently, and all accounts will be transferred into the System for Award Management (SAM). Moving the CCR system to SAM is part of the first phase to combine eight federal procurement systems and the Catalog of Federal Domestic Assistance (CFDA) into one new system. The first phase also integrates the Federal Agency Registration (FedReg), the Online Representations and Certifications Application (ORCA), and the Excluded Parties List System (EPLS). SAM will be available on May 29, 2012, and will streamline and integrate processes, reduce the number of passwords to remember, reduce the number of systems to interact with, eliminate data redundancies by sharing data across the award life cycle, and reduce costs while providing improved capability.

**What to Do:**

**If you are applying for funding, please renew your CCR registration on or before May 23rd so it is valid in time to submit an application for funding; otherwise, you may not begin new registrations or renewals until May 29th when SAM opens. This migration moves only CCR, and the other systems mentioned above, into the SAM system. Grants.gov will not be affected.**

Your data will be automatically migrated when CCR is moved to SAM. When it is time to renew your current CCR registration, you will need to register with SAM [www.sam.gov](http://www.sam.gov) and create a user name and password. Once you are logged in to SAM, begin the "migrate legacy system account" process to establish your CCR account in SAM. You will need the email address and, potentially, the user name for your CCR account. If your CCR email address is not unique, meaning that more than one of your CCR accounts has the same email address, you must provide the user name for your CCR account.

**Please note:** Any CCR registration expiring between May 15, 2012 and July 15, 2012, will be extended by 90 days. You will receive an email notification from CCR or SAM with more information if your expiration date will be extended.
